

A woman with her hair in a bun is relaxing in a white hot tub. She is leaning her arms on the edge of the tub, looking out at a tropical landscape with palm trees and a body of water under a sunset sky. The scene is framed by a stone archway.

Clarity SPAS®

DREAM BACKYARD, EVERYDAY RELAXATION

MASTERSPAS®

MORE CLARITY THAN EVER

It's easy to get caught up in the day-to-day. The pace. The stress. The constant pull to keep going.

Somewhere along the way, it gets harder to slow down and enjoy the time you have. With Clarity Spas, you start to see things differently. Your backyard becomes a place to relax. To connect. To spend time with the people who matter most.

Comfortable. Easy to use. Designed for everyday living. With features built for relaxation, it's a space you'll come back to again and again.

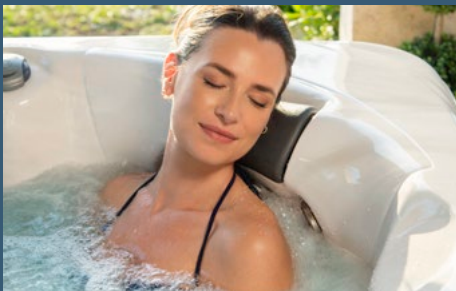

CONVENIENT AND COMFORTABLE

Whether it's for relaxation or health benefits, your time and concentration should go toward being in your hot tub, not working on getting pH levels just right. With our advanced water care systems, your spa can always be at its peak, with very little effort on your part.

StressRelief Neck and Shoulder Seat™

Our exclusive reverse-molded neck and shoulder seat features a ledge with specially designed jets that are positioned downward, putting your neck and shoulders under the jets for the ultimate tension-relieving massage.

Master Force™ Bio-Magnetic Therapy System

Magnetic therapy has been used for centuries to relieve pain, improve circulation, reduce swelling, and alleviate stiffness. Now you can get those benefits in the comfort of a hot tub. We strategically place magnets behind the StressRelief Neck and Shoulder Seat to address pressure points throughout your body.

EcoPur® Charge Master Core Technology

EcoPur Charge is an exclusive filtration system using the same multi-stage techniques as nature. A unique blend of copper and zinc eliminates most microorganisms and reduces heavy metals, leaving water that's sparkling clean, softer, and free of harsh chemical smells.

Master Clear® Salt System

Available as an upgrade, the Master Clear Salt System is a great way to enhance your hot tub ownership experience. It continuously monitors your water and generates sanitizer only when needed, taking the legwork and the guesswork out of maintenance. The water also feels softer and silkier, with a fresh smell and a noticeably gentler feel on your skin and eyes.

CLARITY SPAS: COMFORT MEETS CHOICE

Find the perfect fit with Clarity Spas. With seven models, flexible seating and thoughtful design details, Clarity Spas create the perfect setting for daily relaxation and life's bigger moments.

RELAX. IT'S MASTERSPAS.

For over 30 years, MasterSpas has been helping people create customized sanctuaries. We've crafted lines of hot tubs and swim spas that aren't just backyard soakers, but places for families to come together, friends to connect and individuals to relax and recharge. We're at the forefront of the industry, pushing spa technology and design so that it's more comfortable, beautiful and efficient. Our goal is for each customer to find respite with our products — however that looks for them. So whether you want a place to unwind, a healthy daily ritual or a communal gathering spot, MasterSpas has the solution.

Rooted in American Craftsmanship

Since our beginning, MasterSpas has been committed to manufacturing in the USA. All our spas are made and assembled in America with domestic and foreign components. We are a fixture in our community, employing hundreds of workers at our state-of-the-art 614,000 SF manufacturing facility in Fort Wayne, Indiana. And we're proud to say that MasterSpas is the largest swim spa manufacturer in the world and the largest manufacturer of hot tubs built in the USA.

MASTERSPAS CARES

Helping others live a better life isn't just why we make the products we do — it's part of our value system. We began MasterSpas Cares as a way for us to give back and support others toward a better tomorrow. Through corporate donations and matches, dealer contributions and sales promotions, we're able to help the following wonderful charitable organizations that focus on worthy causes and people.

Leads the way the world understands, treats and defeats childhood cancer and other life-threatening diseases

Provides housing for injured veterans and first responders, as well as the families of those killed in the line of duty

Improves the quality of life for people living with lupus through research, advocacy and support

Funds research to find a cure for breast cancer and improve therapies for the most difficult-to-treat types of the disease

Promotes healthy active lives, water safety, and mental wellness, especially for children, by expanding access to swimming through the Boys and Girls Club of America and Special Olympics International

Searches for a cure for Parkinson's disease and ensures the development of improved treatments for the neurological disorder
