

MICHAEL PHELPS

SIGNATURE SWIM SPAS™

TRAIN WITHOUT LIMITS

MASTERSPAS®

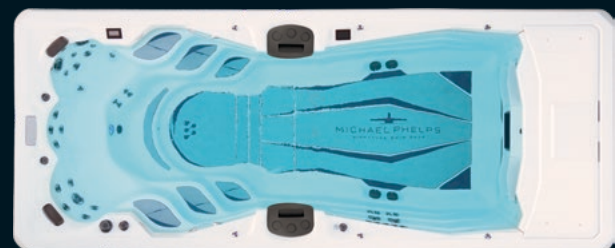

WHERE MASTERY MEETS HOME

To reach the pinnacle of performance, you must master your environment.

The Michael Phelps Signature Swim Spa gives you the power to do exactly that, right in your own backyard. It bridges the gap between elite athletic conditioning and everyday family wellness, setting a new benchmark for swim, fitness, and relaxation at home. MasterSpas has engineered a seamless aquatic experience where a flawless, adjustable swim current meets targeted, stress-relieving massage jets.

Whether you are building cardiovascular endurance, supporting low-impact recovery, or teaching your children to swim, you are stepping into a premium environment designed to support an active, healthy lifestyle.

Bring elite-level performance, wellness, and recovery into your own backyard. With a Michael Phelps Signature Swim Spa, every swim, workout, and moment of relaxation happens in a space designed to help you perform, recover, and live at your best.

NEXT-LEVEL PERFORMANCE

Designed for serious athletes and active families alike, MP Signature Pro features the Velocity Propulsion System, engineered to deliver a smoother, more consistent current for a more natural swimming experience. With the largest unobstructed swim area, it provides the space and freedom to train, exercise, and enjoy the water like never before. But the MP Signature Pro is about more than performance. Combining the benefits of a pool with the therapy of a hot tub creates the ultimate destination for fitness, recovery, and relaxation. After a challenging workout or a long day, the ultra-therapeutic massage jets help ease stress, tension, and muscle soreness — leaving you refreshed, rejuvenated, and ready for what's next.

DUAL ZONE

With the MP Momentum Deep, a dual-zone swim spa, you don't have to choose between a backyard swimming pool and a hot tub. Two sets of temperature controls allow you to exercise in cooler water and retreat into warm water up to 104 degrees. A generous swim area is ideal for stationary swimming, aquatic fitness, and recreation. The Wave XP Propulsion system delivers a smooth, wide current that you can adjust based on your goals. The adjoining hot tub features ergonomic seating and adjustable jets that deliver targeted hydrotherapy to promote relaxation and recovery — for your body and mind.

SWIMMING IN A MICHAEL PHELPS SWIM SPA

Swimming in a Michael Phelps Signature Swim Spa is not like being in a pool — in the best way. There is no sharing a lane, no flip turns, no tether. It's just you and the water. Michael Phelps Signature Swim Spas feature a spacious swim area, with room to swim all four strokes, and easy-to-use controls. Using the SwimNumber™ System, you can make precise adjustments to resistance, allowing the current to match your workout intensity as you progress.

Velocity Propulsion System™ | STANDARD ON THE MP SIGNATURE PRO

The Velocity Propulsion System delivers precise, customizable control over your aquatic fitness. Engineered to move a deep column of pure water without the turbulent bubbles of traditional air-mixed jets, it creates an incredibly smooth, natural swim current. By allowing you to adjust both the speed and the angle of the flow, the system lets you fine-tune the current to perfectly match your unique stroke and training goals — keeping you centered, balanced, and swimming with optimal efficiency.

Wave XP Propulsion™ | STANDARD ON THE MP MOMENTUM D

The Wave XP Propulsion System is a high-performance swim current system engineered to deliver elite power for serious aquatic training. By utilizing a large propulsion unit instead of traditional air-mixed jets, it moves massive amounts of water smoothly and uniformly through the swim lane. This innovative engineering eliminates the turbulence of standard jets, generating a wider, deeper current that lets you focus entirely on your form, strength, and endurance.

Personalized precision or elite, smooth power — both proprietary propulsion systems deliver a world-class swim. With a continuous flow of pure water, Velocity and Wave XP ensure a perfectly smooth and uniform current. Your swim remains natural, your body position is optimized, and your training is completely uncompromised.

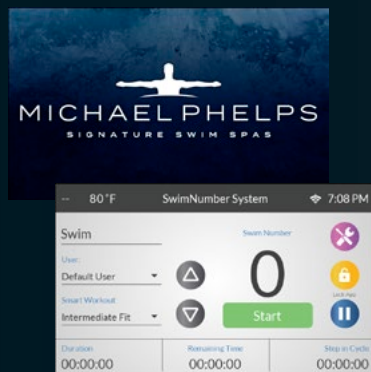

FEATURES YOU'LL FIND ON ALL MP SWIM SPAS

Performance is built into every detail. From advanced water care to precise hydrotherapy, Michael Phelps Signature Swim Spas are designed to enhance your ownership experience — day after day.

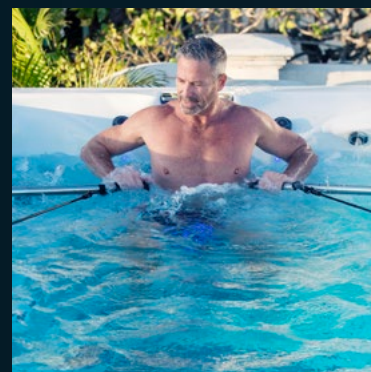

EcoPur® Charge Master Core Technology

The patented EcoPur Charge system uses a natural mineral reaction to eliminate impurities and heavy metals. Enjoy clean, crystal-clear water with fewer chemicals and easier water care.

SwimNumber™ System

Set the pace of your workout with the SwimNumber System. Intuitive controls let you adjust the flow of the swim current for workouts tailored to your goals.

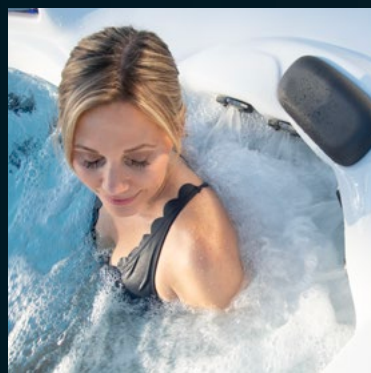

H2Xercise™ Fitness System

Enjoy the benefits of aquatic resistance training. Every Michael Phelps Swim Spa comes with a rowing kit, resistance bands and the H2Xercise Aquatic Workout book.

Xtreme Therapy™ Cove

A specialized grouping of powerful jets designed to deliver a complete therapeutic massage for your lower back, hips, thighs, and calves.

StressRelief Neck and Shoulder Seat™

Our exclusive reverse-molded neck and shoulder seat features specially designed jets that are positioned downward, putting your neck and shoulders under the jets for the ultimate tension-relieving massage.

Master Force™ Bio-Magnetic Therapy System

The exclusive Master Force Bio-Magnetic Therapy System targets pressure points with strategically placed magnets behind the seat, relieving pain, improving circulation, and reducing stiffness for premium comfort and wellness.

Axis Cover System

Designed for simple, one-person operation, the Axis Cover System rolls open smoothly, eliminating heavy lifting. It fastens tightly to maximize heat retention, lowering operating costs while protecting your spa.

Fusion Air Sound System

Our built-in spa stereo gives you immersive sound thanks to topside speakers and a powerful subwoofer. You can easily connect to any audio source using Bluetooth and control it with a wireless Bluetooth remote. Enjoy rich, high-quality sound while you relax.

RELAX. IT'S MASTERSPAS.

For over 30 years, MasterSpas has been helping people create customized sanctuaries. We've crafted lines of hot tubs and swim spas that aren't just backyard soakers, but places for families to come together, friends to connect and individuals to relax and recharge. We're at the forefront of the industry, pushing spa technology and design so that it's more comfortable, beautiful and efficient. Our goal is for each customer to find respite with our products — however that looks for them. So whether you want a place to unwind, a healthy daily ritual or a communal gathering spot, MasterSpas has the solution.

Rooted in American Craftsmanship

Since our beginning, MasterSpas has been committed to manufacturing in the USA. All our spas are made and assembled in America with domestic and foreign components. We are a fixture in our community, employing hundreds of workers at our state-of-the-art 614,000 SF manufacturing facility in Fort Wayne, Indiana. And we're proud to say that MasterSpas is the largest swim spa manufacturer in the world and the largest manufacturer of hot tubs built in the USA.

MASTERSPAS CARES

Helping others live a better life isn't just why we make the products we do — it's part of our value system. We began MasterSpas Cares as a way for us to give back and support others toward a better tomorrow. Through corporate donations and matches, dealer contributions and sales promotions, we're able to help the following wonderful charitable organizations that focus on worthy causes and people.

Leads the way the world understands, treats and defeats childhood cancer and other life-threatening diseases

Provides housing for injured veterans and first responders, as well as the families of those killed in the line of duty

Improves the quality of life for people living with lupus through research, advocacy and support

Funds research to find a cure for breast cancer and improve therapies for the most difficult-to-treat types of the disease

Promotes healthy active lives, water safety, and mental wellness, especially for children, by expanding access to swimming through the Boys and Girls Club of America and Special Olympics International

Searches for a cure for Parkinson's disease and ensures the development of improved treatments for the neurological disorder
